Experience

Frontend Developer
Webhitter Pvt Ltd- July 2023 – Present

As a Frontend Developer at Webhitter Pvt Ltd, I specialize in crafting responsive, user-friendly web applications with a focus on modern design principles, clean code, and seamless user experiences using technologies like HTML, CSS, JavaScript, and Bootstrap.

As an SEO specialist, I have successfully optimized website content, structure, and performance to increase organic search rankings and drive traffic. My expertise includes keyword research, link building, on-page/off-page SEO, and using tools like Google Analytics to enhance visibility and user engagement.
